MEMORANDUM FOR THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

Subject: Views of Federal employees on Government military and
civilian pay

As Chairman of the President's Special Panel on Federal Salaries, I ask for your assistance in carrying out the President's request that the Panel invite the views of civilian employees and uniformed personnel.

The Panel must report to the President on April 1. In order that it may have adequate time to consider the views of interested Federal personnel, the Panel asks that this memorandum be posted, both in Washington and in the field, on agency bulletin boards used for notifications to employees.

NOTICE TO FEDERAL CIVILIAN AND UNIFORMED PERSONNEL

The President's Special Panel on Federal Salaries will receive and consider any views on Federal salaries which interested Government personnel transmit in writing. Letters should be addressed:

President's Special Panel on Federal Salaries
Executive Office of the President
Room 252, Executive Office Building
Washington, D. C. 20503

All communications received will become part of the Panel's records. Therefore, the Panel requests that no materials be sent which the writer wishes to keep or to have returned. No communication can be considered which is received later than March 12, 1965.
